

This year during 2018 Apple Harvest Downtown will be changing the layout of vendors.

Attached is a map of 11th through 12th street showing that the vendors will be in the middle of the street. Spaces will be 10' deep and 12' wide for \$40.00. You can register for two spaces for \$75.00, which is the same price for a 22' space last year.

We will have this layout from 9th to 12th Streets with vendors being in the middle. Food vendors will be between 12th & 13th Streets, they will be set up next to the curbs as previous years.

We look forward to seeing you at Downtown's Apple Harvest Street Fair October 6th.
